*** The speaker is not obliged to submit their presentation for public use.

18.00 Official part of Day 1 closing.

“FuckUp Night on CISO Forum 2020”

Here’s an opportunity to unburden your heart by sharing with other participants your failures, unsuccessful cases, projects, decisions, and the ways you got out of the wood. Help yourself by lifting the weight off your shoulders and realizing that you are not alone, and help others by telling us what we shouldn’t do and how to fix the problem before it appears.

4 rules of FuckUp Nights:

- your speech shall not exceed 2 minutes
- stating or implying a company’s name is strictly forbidden
- stating names and positions is strictly forbidden
- a speaker is not obliged to give the exact data, just to describe the failure and the conclusions he/she made

Day 2, April 24

09.30 – 10.00 Registration of the delegates.

10.00 – Opening of Day 2 of the Forum.

10.00 – 11.00 PLENARY DISCUSSION: CISO 2020: GLANCE TO THE FUTURE. Hit-parade of the key threats, strong trends and promising technologies

Topics for discussion:

- How will the role of CISO change?
- How does the business see its CISO?
- How can CISO see the future?
- How are IT and business technologies being developed?

Speakers:

MAKE IT TO THE HISTORY!

In the foyer forum participants will be giving short interviews: Make it to the history by sharing your predictions about information security new trends in Russia
